Last summer, my family and I went on a trip to Greece. We visited an island named Naxos where there were lots of things to see and do. We stayed at a comfortable house near the beaches, so we swam in the sea everyday!

We also tried the local food. We ate the traditional cheese pie at many different restaurants! The only bad thing is that we didn't have the opportunity to drink the world-famous Greek wine.

But Naxos is not all about fun. We also saw many interesting places, like the Archeological Museum and some prehistoric settlements. Something I loved were the local people. They were very friendly.

We really enjoyed our trip to Naxos and I would love to go there again some day!
