JESSICA: It _____ (be) Mrs McGraw. She isn't strong enough to drag the body and put it in the car boot. It _____ (be) their older son; I would bet all my money it was him. He had motive, because Mr. McGraw had disinherited him long ago, and everybody knew they hated each other.

SEBASTIAN: Impossible. It _____ (be) their older son because he has a plausible alibi. He was fishing with his brother at the time of the crime, he testified.

JESSICA: Then the younger son _____ (lie) to protect his brother. They _____ (agree) on an alibi after the murder. If you think about it, they _____ (plan) the murder together. It's a reasonable possibility. Maybe the younger son was afraid that his father would disinherit him too; they had a difficult relationship.

SEBASTIAN: That makes sense. They killed him so that at least one of them could get the inheritance.

JESSICA: Well, if they wanted to get the money from the inheritance, they shouldn't have killed their father. Because now we'll catch them and they will be in prison and without a penny.
