**1**

Listen to the people comparing their old and new roommates.  
Write the missing words.

(2 POINTS)

A: Has your roommate arrived yet?

B: Yes, he has. He's really fun.

A: Oh, good!

B: Yeah. He has a great sense of humor, so we're always joking and telling stories.

A: Okay.

B: That's great. Your old roommate never told jokes.

A: Yes, he was so serious about everything.

A: How do you like your new roommate?

B: I don't know... She's really inconsiderate!

A: What do you mean?

B: She's terribly loud at night. She watches TV and sings in her room.

A: So she's not as nice as your last roommate?

B: No. My last roommate was extremely kind and considerate.

A: So what are you going to do?

Well, you know me... I'm really timid. I guess I won't do anything!

**2**

People are talking about their neighbors. Listen and check the correct sentence. (2 POINTS)

a)

- Her neighbor is elderly.  
 She doesn't like her neighbor now.
