5 Read the text and decide if the statements are **True or False**. (1 POINT)

### Peter's Dinner Party

Peter has been cooking in the kitchen for four hours. He and his wife are having guests over for dinner tonight. He has been working hard to prepare the food. He has prepared an appetizer, a main course, and some salad, and now he is making the dessert. He is making a cake for dessert, and he has been mixing the ingredients for ten minutes. Now he just has to bake it for one hour.

His wife has been cleaning for the same time he has been cooking. She has cleaned the bathrooms, the living room, and the front hallway. Now she's cleaning the dining room. She has been vacuuming the floor for almost 20 minutes now. When Peter finishes cooking, she's going to help him clean the kitchen.

They have been planning this dinner party all week, but they left all the work until the last minute. They have been working so hard that they are exhausted. They are both very tired and would rather sleep tonight than have guests over.

---

Peter and his wife are tired because they have been working hard to receive guests. (True/False)  
They have been planning the party, cooking and working on it all week. (True/False)  
Peter hasn't started mixing the ingredients for the cake yet. (True/False)
